

UNITED WAY OF BROOME COUNTY

Agency Name: Legal Aid Society of Mid-New York, Inc.

Program Name: Central New York Legal Helpline

Program Success Story:

A disabled woman called the HelpLine after receiving a verbal 24-hour notice from her landlord to vacate her apartment, even though she was up-to-date on her rent payments. The HelpLine contacted the landlord, explaining that the woman could not be evicted without a proper 30-day notice and a court hearing. The landlord agreed not to change the locks or take other illegal action to evict the woman.
